## CSI Terror-Insurance

Terrorist attacks are being carried out all over the world. Europe is also in focus and has already been a target. The loss potentials are high. The requirements for appropriate insurance concepts are therefore demanding.

## Coverholder of Lloyds

As a „Coverholder of Lloyds“ we provide flexible terrorism insurance solutions. It does not matter whether as an alternative to state risk carriers or in connection with a local terrorism pool.

## Our Target Markets

1. Real estate companies
2. Industrial sites
3. Hotels
4. Shopping centres
5. "Construction" risks
2. Events, concerts and (art) exhibitions

## Advantages of Our Terrorism Insurance

1. Stand-alone policy
2. Variable sums insured and limits of indemnity for material assets
3. Risk locations abroad can be insured without any problems
4. Adaptable place of jurisdiction
2. Flexible deductible from EUR 10,000.00
6. All insurers at least a+ rated

## Extension of Cover – Terrorism Insurance

1. Business interruption/loss of rent with a liability period of up to 36 months
2. Settlement in case of "threat"
3. Rampage/Amok
4. „Loss of attraction“
5. Terrorism liability
6. "Auto Terror Protect"

## CSI – Your Wholesale-Broker

Our expertise lies in the development of insurance solutions for risks that are unusual in the market.

We fully customise our coverage concepts to the client's needs and are thus usually able to provide the optimum coverage for the client's risk.

For this purpose, we place our business with selected insurers in national and international markets.
